

CML Microcircuits

FAQ and Applications Disclaimer Notice

Information, or software, viewed or downloaded from the CML FAQ or Application Notes sections of the CML website is provided "as is" without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of fitness for a purpose, or the warranty of non-infringement.

CML reserves the right to make changes to the information available at any time and assumes no liability for applications assistance or customer product design. Reproduction of information from the CML website is permissible only if wholly reproduced and without alteration, and is accompanied by all associated conditions, limitations, notices and associated warranties.

All other software provision is covered by licence or pre-agreement.
